

Announcement

After 4 years as General Manager of Emera New Brunswick, we're proud to announce Rob Belliveau has accepted a position with Emera Inc., our parent company.

Throughout his time with us, Rob offered exceptional technical expertise to the business, along with his dedication to his community. Rob gave a considerable amount of his time to groups throughout the Saint John community such as the Business Community Anti-Poverty Initiative, The Saint John Board of Trade and the Crescent Valley Resource Centre.

Rob leaves knowing there is a strong and capable team to manage Emera New Brunswick and the Brunswick Pipeline. The team is happy to answer any questions you may have. Should you have inquiries or would like information please feel free to contact

the Emera New Brunswick office by phone at 506-693-4214 or you can send an email to brunswickpipeline@emera.com.

A native of Moncton, Rob and his family will be relocating to Halifax, Nova Scotia. We thank Rob for his years of dedication to Emera New Brunswick. While he will be missed, we offer our congratulations and support as Rob pursues a new opportunity.

While Rob leaves behind very big shoes to fill, the search is on for a new General Manager. The recruitment process is well underway. The successful candidate will be announced here in Community Contact, as well as on our web site, www.brunswickpipeline.com.

Bowl-a-thon

Volunteers from throughout our community laced up their bowling shoes for a good cause. Junior Achievement of Southern New Brunswick held its Annual "Bowl-a-thon" in November. Teams were made up of local council members, former program participants and community volunteers. The event raised \$5,800 in support of Junior Achievement school programs aimed at helping students develop business skills and explore entrepreneurship.

3 on 3 Street Hockey Tournament

The first weekend in May marked the 6th Annual 3 on 3 Street Hockey Tournament for Mindcare NB. More than 1,000 players and 3,000 spectators spent the weekend at Long Wharf in Saint John as part of Mental Health Awareness week. Emera New Brunswick sponsored the event and also entered two fantastic teams in the tournament. The players had a great weekend of street hockey for an important cause.

2013 Pavilion Cup Pond Hockey Tournament

Emera New Brunswick was proud to be a major sponsor of the 2013 Pavilion Cup Pond Hockey Tournament this past winter. The 5th annual tournament was held on Lily Lake in Rockwood Park. Players and volunteers of all ages enjoyed a weekend of winter fun. The tournament raised over \$52,000 that will go toward giving children in need the chance to attend summer camp and take part in extra-curricular programs in Rockwood Park.

Bursary

In honor of ENB Board Member Pat Darrah's recent admission to the Order of New Brunswick, we offered a scholarship in his name. Pat is passionate about economic development and the importance of education in the trades, so it seemed fitting that the \$2,500 scholarship be offered to a student at the New Brunswick Community College in a trade program. The Pat Darrah Scholarship was awarded to Daniel Myers of Saint John. Daniel just completed his 1st year of the Industrial Mechanics Program at NBCC Saint John. Congratulations Daniel!

Hockey Night

Harbour Station was overrun by enthusiastic students for Emera New Brunswick's 1st Community Hockey Night. Students from a variety of schools and organizations took part, including Hazen White- St. Francis, St. Patrick's School, The Joshua Group, The Saint John Boys & Girls Club and JVK Taekwondo. Accompanied by dedicated staff and volunteers, the students were treated to an action-packed Saint John Seadogs home game against the Cape Breton Screaming Eagles. The evening was an opportunity to cheer on the Seadogs, while enjoying a night out as a community. It was a fun night and a successful evening for the Seadogs who defeated Cape Breton 4 to 2.

WINNER

CONTEST WINNER!!!

The winner of a \$50 Grocery Gift Card is **Kirstie Hopper of Saint John, NB.** Congratulations Kirstie!

Internal Environmental Audit

Photo Caption: Auditors on the Right of Way

Fall 2012 marked the 1st Internal Audit into Brunswick Pipeline's Environmental Management System and Post-Construction Commitments. Auditors examined documentation and visited various sites along the Right of Way to ensure requirements are being met and goals are on track. We are happy to report auditors found that our environmental goals and our post-construction commitments, including re-vegetation and restoration, are well on track.
