Emera Brunswick Pipeline Company Ltd. (EBPC or the Company) is committed to meeting our business objectives in a manner that is respectful and protective of the environment, and in full compliance with legal requirements and EBPC policy.

In promoting these principles, Emera Brunswick Pipeline Company Ltd.:

- Will make the environment an integral part of decision making, as the Company pursues environmental performance, value to shareholders, and quality service to its customer;
- Will develop, verify, and continually improve its Environmental Protection Program through strong leadership of management and employee commitment;
- Will use this Environmental Policy as the framework for setting and reviewing environmental targets and services;
- Will consider pollution prevention as the first option, in preference to control or clean-up;
- Believes that environment is a shared responsibility. Accordingly, all employees accept personal responsibility for following environmental procedures and report environmental issues to ensure concerns can be addressed;
- Will work with employees and stakeholders to promote the most efficient use of resources and products and services;
- Will communicate with stakeholders on environmental performance in an open manner; and
- Will comply with this Policy and review it annually.

Emera Brunswick Pipeline Company Ltd. requires all employees to discharge their jobs in accordance with this Policy.
