Emera New Brunswick Contributes \$25,000 to United Way Atlantic Compassion Fund

Saint John, N.B. – Emera New Brunswick, a wholly-owned subsidiary of Emera Inc., is donating \$25,000 to the United Way Saint John, Kings and Charlotte. This contribution will provide much needed funding to support our community, as we all fight against the spread of COVID-19.

Emera New Brunswick’s donation is in addition to a recent [\\$1M combined contribution Emera and Nova Scotia Power](#) made to the Atlantic Compassion Fund and HEAT Fund in support of communities across Atlantic Canada. Their donation is helping to provide critical aid throughout the region.

“We know that our community’s most vulnerable populations are experiencing extraordinary hardships at this time,” said Rob Belliveau, Emera New Brunswick General Manager. “Added to the donations of other local businesses, our contribution will help the United Way to provide timely assistance to those most in need in Saint John, Kings and Charlotte County now and in the coming weeks.”

The Atlantic Compassion Fund, distributed to all United Way agencies in the region supports those who are most impacted by the COVID-19 crisis, including individuals experiencing homelessness, poverty, mental illness, precarious employment or food insecurity.

“The United Way has a longstanding relationship with Emera New Brunswick. We are grateful for their support and not surprised to see them step up and help the community,” said Alexya Heelis, Executive Director of the United Way Saint John, Kings and Charlotte.
